FINAL DRAW

UEFA EURO 2024 Final Draw Procedure

Date and time:	Saturday, 2 December 2023, 18:00 CET
Place:	Elbphilharmonie, Hamburg (Germany)
Duration:	approx. 20 minutes (TV programme: 50 minutes)
Regulatory articles:	Articles 12.03, 12.05, 18, 19.01-02 and 24.04 of the Regulations of the UEFA European Championship 2022-24 (“competition regulations”)
Participants:	23 teams: 20 qualified teams via the qualifying group stage and three placeholders for the teams that will qualify through the play-offs in March 2024 (The team of the final tournament host association, Germany, is not drawn but placed in group A, position A1.)
Objective:	Group formation (draw the 23 teams to complete six groups with four teams each)

1. Pot allocation of teams

Teams are allocated to the four pots 1-4 in accordance with their results in the qualifying group stage (art. 12.05 of the competition regulations). The team of the host association, Germany, is seeded in pot 1 (art. 12.05), but is not drawn as it is automatically allocated to group A in position 1 (art. 18.03 b).

The three teams qualifying via the European Qualifiers play-offs in March 2024 are allocated to pot 4.

Pot 1 <ul style="list-style-type: none">•Team 1•Team 2•Team 3•Team 4•Team 5•(Germany)	Pot 2 <ul style="list-style-type: none">•Team 6•Team 7•Team 8•Team 9•Team 10•Team 11
Pot 3 <ul style="list-style-type: none">•Team 12•Team 13•Team 14•Team 15•Team 16•Team 17	Pot 4 <ul style="list-style-type: none">•Team 18•Team 19•Team 20•Team 21 (play-off winner path A)•Team 22 (play-off winner path B)•Team 23 (play-off winner path C)

2. Draw procedure

Apart from the four pots 1, 2, 3 and 4 which contain the balls with the 23 teams that enter the draw, six pots A, B, C, D, E and F are required to draw the respective team's position in each group.

Pots B-F contain four balls each to represent the positions available in each group (e.g. B1, B2, B3 and B4). Pot A contains three balls for the available positions A2, A3 and A4 in group A, since Germany will occupy position A1.

The draw starts with pot 1. The first team from pot 1 is drawn and assigned to the first-available group in alphabetical order (group B in this case). To determine the position of the team within the drawn group, a ball is subsequently drawn from the relevant bowl (pot B in this case) containing the group positions.

The next team is drawn to be assigned to the next available group in alphabetical order. Again, a ball is drawn from the associated pot with the group positions. The same procedure is repeated, until one team from Pot 1 has been assigned to every group B to F, and a group position has been assigned to every team.

Once Pot 1 has been emptied, the draw continues with Pot 2 in the same fashion (i.e. until one team from Pot 2 has been assigned to every group A to F), then Pot 3 and concludes with Pot 4.

3. Draw conditions

Subject to the UEFA Executive Committee decisions valid at the time of the draw, teams may be prohibited from being drawn into the same group. Note that these teams may also be represented by the placeholders for the play-off teams that may qualify in March 2024.

The "prohibited team clashes" applicable for the UEFA EURO 2024 final draw are:

- Bosnia-Herzegovina / Kosovo
- Serbia / Kosovo
- Ukraine / Belarus
- Azerbaijan / Armenia
- Spain / Gibraltar

The "prohibited team clash" restriction only applies to the final tournament group stage. It cannot be excluded that the above-mentioned teams would meet during the knock-out stage.

4. Finalisation of the tournament match schedule

The tournament is played according to the match sequence defined in art. 19.02 of the competition regulations. The match schedule has been published in May 2022 (see below).

Based on the results of the final tournament draw, which determine the group compositions and each team's group position, the UEFA administration will allocate the standard kick-off times (15:00 CET, 18:00 CET and 21:00 CET) to the remaining 47 matches and publish the finalised schedule as soon as possible after the draw.
